

Scoring at CORA Speedway

Point structure at CORA Speedway is as follows:

2 Heat Races Scoring is processed as follows: The finish of each heat race is scored 1-8 with first place receiving 1 point and incrementing the rest of the field by one. The heat race points are totaled sorted by least points (first place) to highest points (last place). Ties are awarded the same finish position. Scoring begins with the lowest point score receiving 10 points and decrementing by 1 for each subsequent finisher.

Multi Class Heat Races are score the same as above with each official class being scored separately.

A Mains are scored by the race winner being awarded 60 points and subsequent finishers being decremented by 2.

First Place	60 points	
Second Place	58	
Third Place	56	
Fourth Place	54	
Fifth Place	52	
Sixth Place	50	Ect...

B Mains are scored by awarding the first car not to transfer to the A main 30 points and decrementing the field by for all participants.

First B main finisher not to transfer	30 points	
Second B main finisher not to transfer	28 points	
Third B main finisher not to transfer	26 points	Ect...

If two or more cars do not complete the race but have the same amount of laps completed they are scored with the points that would normally be awarded to the second of the two (or three) cars.

2 cars finish in 6th/7th position in a heat race they are given 7th place points (4 points)
3 cars finish in 6th/7th/8th position they are given 7th place points
